

Sound Innovations Online Resources

Exclusive Content Is Now Available with SI Online

Adjust the pacing and focus of your teaching throughout the semester with the new resources at SI Online. New enrichment and supplemental content provide differentiated instruction and assessment to meet the unique needs within your classroom. Now access content for Concert Band and String Orchestra Books 1. Book 2 and other additional content will be available soon.

Enrichment Pages—Additional theory, music history, scale and technique exercises, and rhythm pages for in-class or home reinforcement.

Audio and Video—Accompaniment tracks, melody examples, and MasterClass videos in one convenient place. No more CDs or DVDs to lose!

Supplemental Repertoire—Browse the vast library of new repertoire, including duets and ensembles, to encourage student repetition and concept reinforcement.

Additional content coming soon!

[Access SI Online](#)

Simply type in the product number—no need to create an account. SI Online also works on mobile devices. Content for Book 2 and more is coming soon!

Additional Web Resources

Access MasterClass Videos, PDF resources, MP3s, and more. These resources will soon be migrated to the SI Online portal. Find inspiration and creative ways to enhance your teaching in the [Alfred Music Blog](#).
